

Content Management System License & Pricing Documentation

This document outlines the license agreement and usage of the Content Management System part of the 4 Elements web applications range.

The Pricing

Pricing starts from only €249.00, including: Free setup, complete designed and development website, 1 year hosting and rental, full administration to maintain your website, free customer support, free lifetime system updates.

The layout is fixed as seen in the **default demo**, with a site header at the top, left hand side menu, content on the right and footer at the bottom.

Detailed specifications and rates vary on each project's unique requirements.

Rental & Hosting License

The rental license for this service is available from €19.95 per month, hosting on my servers on a standard rental basis. This system and service is only available to be used on my servers and comes ready with a 1 year hosting plan attached.

New & Existing Domain Name

In order for this service to be setup, a domain name is required, either an existing or newly registered. A registered domain name with myself is available from €15.00 per year, or from another domain name provider. Information on setting up to my servers will be provided in the installation process to you if selected through another domain name provider.

Liability

Although all of my systems are stable and have been fully tested, I do not take any liability for lost content or data a client may incur while they maintain their website. This is because I do not have full control of all the updates which a client may be doing to their website at any given time.

This includes and is not limited too connection, processes or any other third party service/program which may be used to update the contents of a clients website.

Website Maintenance

Upon initial development and complete setup of the client's website and services, it is the client's responsibility to maintain their website as required. I will offer support and advice to best maintain your website, depending on your requirements.

I charge a maintenance service fee of €15.00 - €30.00 per hour for website updates, which varies depending on the type of update requested.

Service Cancellation

If for any reason a client wishes to cancel their website and services, the license contract would be broken and the client will no longer have any rights to use this Content Management System for their website.

I do charge a minimum cancellation fee of €49.00, this can vary depending each websites content and covers the below process.

The client will retain all copyright of the design, text, content, images and graphics developed for their website. All data, files and contents of their website will be supplied either through my download facilities or on CD-ROM.

The client also retains full rights to their purchased domain name, either purchased through me or another domain name provider, I have no rights to this in any way or form.

The data and files of the clients website which will be supplied is displayed in detail as follows:

- Initial design and development of client's website with all web pages and content.
- All relative graphic and web design materials.
- Any additional services, updates or add-ons will be supplied.
- Domain name registration details forwarded to client.
- Copyright documentation for the supplied materials to the client.

Copyright

My Content Management System is part of the 4 Elements web applications range developed and owned by myself, David Bedenknecht.

The fine print: I refer to myself as: I, Me, Myself, DB Freelance. To you as the client I refer too: You, Your, Client, Customer.

The terms: Service(s), System, Product, Design, Development, refer to what will be supplied to you by me and is included within the terms and conditions of my business, website and domain used to promote www.dbfreelance.com
